IT IS REALLY SECOND NATURE FOR YOU TO

BUY MILLINERY AT KING'S PALACE

with the very minion of the word "milibery" is associated the name of this cld, tried and true store which has for so many years been "headquarters" for women's, misses' and children's hats and requisites for the trimming of them. And the patronage of these great stores has doubled itself this season—is far beyond our expectations. All this proyes our leadership which comes from selling the most stylush millinery for less than others, and from our off r to

Trim all Hats free of Cost,

at the same time charging you no more—no, not as much—as others ask you for the necessaries for trimming and the bare untrimmed shape.

**Extraordinary Sale of Flowers** 

A most remarkable sale of ladies' trimmed hat, embracing all the newest shades and the most stylish shapes—in an assortment embracing perhaps three hundred so to and a never-ending variety—hats which are sold elsewhere for no less than \$5 and up to \$8 for \$3.75

\$5, \$6, \$7 and \$8 Trimmed Hats \$3.75.

With the very mention of the word "millinery" is associated the name of this

STREET IMPROVEMENTS. We read everything over the signature of "James Bayne," and we agree with him more frequently than otherwise. But we think his deductions (in Wednesday's Gazette) wherein he ascribes the depreciation of real estate values here to the condition of our streets are erropeous. For several years before the war between the States, our city was forging shead on the highway who were the prime movers in the proce sion, but not one word of complaint with regard to the condition of our streets was heard. Jenkins & Limb-din were employing hands in Philadelphia to work in their new factory here in order to prepare the work for the numerous first-class houses then being erected. Smith & Perkins's extensive

machine shops and foundery employed

enough hands to support a dezen gro-ceries. The c tion factory was a bee nive. The Pioneer Mills bought and converted into flour all the whea raised in this section and the valley.

and coopers were more numerous here

then than tramps are now. Green's furniture factory was turning out work that found its way to New Orleans and

St. Louis, Smoot's tannery was drawing sheckles from every quarter of the country. Martin's ale helped the cause, and numerous smaller concerns distributed thousands of dollars among the industrieus artists.

the industrious artizans. Our whatves

were lined with commodious ware

houses, and all occupied with live business men, and the Potomac was gav with sail and steam craft, and moun-

tains of coal were received by canal and

reshipped to northern ports; and lest, but not least, we had our Fishtown, the rent of the wharve netting the city

more in one year than it has in twenty years since. Then our best financiers were elected to the City Council and

yet no one moved that we borrow mon-

ey to beautify the streets. The "cruei war" came upon us like a flash of lightning. Our trade was paralyzed at

once, and our leading tradesmen either fell on the field of battle, or, finding themselves bankrupt, became scatter-

ed the river." Baltimore took up the cue and finished the game. But Balti-

more never expended one cent on

streets in order to attract custom. The improvements she made were for her

own convenence, and because she could afford it, and until Shepherd took charge

of streets in Washington, we were satisfied. But Washington's streets were not improved in order to at ract trade. The sole aim of Washington is

to pose as the social centre of the coun-

try where retired nabobs can loc. t

pher Columbus was married to John Sm.th by Pocahonias in the market

Sm.th by Pocahonts in the market house steeple in 1629, or thereabouts; change the names of many of our streets to good United States names, and stop talking about laying carpet on our streets to please the eye of the tourist. What does the tourist buy here?

Nothing but a boat or car ticket, and

Nothing but a boat or car ticket, and the profit on that goes across the Potomac. Then after viewing our relics he goes home and ies about us. Let our home folks patronize home stores. It is galling to us to see the Washington furniture wagons, or the dry goods wagons, wearing out the tires of their wheels over our rough streets in their effort to de liver the goods bought and paid for by

liver the goods bought and paid for by

liver the goods bought and paid for by Alexandria matrons and maidens. Let us change our policy—buy at home and sell abroad—thereby helping our tradesmen to build larger stores and more of them. Then let the moneyed men build a department factory building with power attached, suitable for small capitalists to begin manufacturing.

capitalists to begin manufacturing.
Then you will see real cetate take a

"No family can afford to be without One Minute Cough Cure. It will stop a rough and cure a cold quicker than any other medicine," writes C. W. Williams, Sterling Euro, Pa. It cures croup, bronchips and all throat and lung troubles and prevents consumption.

healthy convalescence.

and lung troubles and Pleasant and harmless.
